

Privacy Policy for Daily Planner: Take Notes Easily

Last updated: December 4, 2025

Daily Planner: Take Notes Easily (“the App”) is developed to help you organize your tasks, take quick notes, and manage your daily routine efficiently. This Privacy Policy explains how the App handles your data.

1. Information We Collect

a. Device Information

We may collect non-personal device information automatically, such as: - Device model - Operating system version - App usage data

b. Local Storage (AsyncStorage)

The App stores your notes, preferences, and settings **only on your device** using AsyncStorage. This data is **not uploaded** to any server.

c. Advertising Data

We display ads through third-party advertising partners (e.g., Google AdMob). These partners may collect data such as: - Approximate location - Device identifiers - Ad interaction data This is used solely for delivering personalized or non-personalized ads.

We do **not** collect any personally identifiable information.

2. How We Use Your Information

- To provide core features of the App such as storing notes.
- To improve user experience.
- To display ads and support the free version of the App.

3. Data Sharing

We **do not** sell or share your personal data. However, third-party ad partners may process limited data for ad delivery. Please refer to their respective privacy policies.

4. Data Security

All notes and stored data remain on your device. If you uninstall the App, all stored data is automatically deleted.

5. Children’s Privacy

The App is not intended for children under 13. We do not knowingly collect data from children.

6. Changes to This Privacy Policy

We may update this policy periodically. Continued use of the App constitutes acceptance of the updated policy.
